## Numbered Benefit Company

### Completing Party Statement

I, Bcreg2 Tenisha Twentyseven , the completing party, have examined the articles and the incorporation agreement applicable to the company that is to be incorporated by the filing of the Incorporation Application and confirm that:

- the Articles and the Incorporation Agreement both contain a signature line for each person identified as an incorporator in the Incorporation Application with the name of that person set out legibly under the signature lines,
- an original signature has been placed on each of those signature lines, and
- I have no reason to believe that the signature placed on a signature line is not the signature of the person whose name is set out under that signature line.
